

My Shape Collection Book

By: _____

Circles, Triangles, Squares and Rectangles

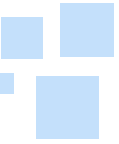

Wubbzy's loves to look for shapes all around him! Help him hunt for shapes and make your own Shape Collection Book.

- ★ Print and cut out the following pages, staples them together and create your very own Shape Collection Book!
- ★ Gather old magazines, store ads, junk mail or newspaper ads. Look for circles, triangles, squares and rectangles in the pictures. When you find a shape cut it out and glue it on the correct shape page.
- ★ How many can you find? How do you know it goes on that page?
